**AA-DTA DEGREE**  
**Important Notes & Requirements**

- To earn this degree, students must:**
- Complete at least 90 college-level credits (courses numbered 100 or above), including credits transferred in, with a minimum cumulative college level GPA of 2.0
  - Have a minimum cumulative GPA of 2.0 in courses at the degree awarding college.
  - Earn at least 15 credits at the degree granting college.
  - Have a minimum passing grade of 1.0 in all courses.
- Other Notes:**
- Courses may only be used once in Basic, Distribution & Elective requirements.
  - Sequences should be completed at the same institution.
  - Students should apply for degree/graduation one quarter prior to anticipated graduation date, and after registering for that graduating quarter.
  - Completion of degree does not guarantee admission to a university/major program nor that all university/major admission and general education requirements are met.
  - Check with the college where you plan to transfer to ensure you meet all admission requirements, including but not limited to foreign language, English, lab science, math and social science.
  - Note that Statistics courses do not fulfill UW math admission requirements (CADRs, College Academic Distribution Requirements).
